Below is the registration and race events schedule for this year's Equinox events.

Please note the cutoff times for the various registration fees (early, standard, race eve, race day), and the different cutoff times for online and hard copy/dropoff registration methods.

ALSO NOTE that after September 17th the only opportunities to register are at the bib pickup at the Pump House Restaurant and on race morning. Online registration closes on September 17th, as does hard copy entry form dropoff at all locations.

A preliminary results booklet with finishers through 2:00PM should be available at the awards banquet. More complete results should be available on the Equinox website later that evening, following the awards banquet. Final results with corrections related to registration problems will be available approximately one week after the race.
