

To Those Who Picked Up Their Bibs Thursday Night - THANK YOU!

Written by The Directors

Thursday, 13 September 2012 22:02 -

The co-Directors of the Equinox Marathon would like to extend a big thank-you to all those entrants who stopped in at the Pump House Thursday night and picked up their bibs. By coming early you avoided an expected bigger crowd on Friday, and/or the race morning rush. And you helped keep the size of Friday night's crowd down a bit.

We very much appreciate that you helped us to make things run as smoothly as possible.
