This will mark the first time in several years that the awards banquet will not be held in the basement of the University Community Presbyterian Church.

There are several reasons for moving the event to the Wood Center. First, having the awards banquet and ceremony there strengthens the long-time bond between the University and the Equinox. Second, it will be convenient for later finishers, and the pizza will be hot -- we will be getting pizza delivered from just across the hall. Third, we think the atmosphere will be great. Finally, adults will be able to consume adult beverages at the ceremony. It won't be a BYO situation, but beverages will be available in the ballroom.

The schedule will be the same as in prior years, gather first and eat a little, then the results books get delivered, hot off the press, then the awards ceremony will begin, culminating with the presentation of the Spirit of the Equinox award, the highlight of every year's ceremony.
