As mentioned earlier on this website, one of the ways we are commemorating the 50th running of the Equinox Marathon is with a print by Fairbanks artist Kesler Woodward.

This is a limited edition giclee print made specifically for the 50th Equinox Marathon by noted Fairbanks artist Kes Woodward. The work is printed in archival inks on Somerset Velvet paper. The image size 16" x 20", and the paper size is 18" x 22".

The print run is limited to 250 copies. Price per print is \$125. Prints will be available at Equinox bib pickup on Thursday and Friday, September 13-14, at the Pump House, and at the Equinox awards on Saturday evening following the race. We will work on additional sales channels, as well, and are working on a system where you can pay for and reserve a print now for delivery at bib pickup.

Stay tuned for more sales information, and don't wait to pick up one of these beautiful prints. It's a great way to preserve your memories of the Equinox Marathon, and running on the great trails in Fairbanks.

The money goes to a good cause: Kes is donating all proceeds from sales of the print to the Equinox organization.
