At its most recent meeting, the Equinox Marathon Advisory Committee voted unanimously to adopt a policy whereby past Equinox Marathon champions would receive free entry to the Marathon in perpetuity.

Any past champions who are not life members must follow this entry procedure.

- First, fill out an entry form and sign the waiver on the back side.
- If you drop off the form at Beaver Sports or Equinox Physical Therapy by September 5, you can pick up your bib on September 6.
- If you drop your form off between September 7 and 15, you can pick up your bib on September 16.
- You can also bring a completed form to the September 16 bib pickup and pick up your number there.
- Past champions will not receive free entry if they enter on race day.
