The relay field is full. We are accepting no more teams in the relay.

However, there are still individuals who have been listed as members of relay teams who have not yet entered. Those runners **MUST** enter and pay their registration fee before they can pick up their bibs, shirts, goodie bags, etc. Regardless of when their team was entered, they will pay the going rate. If they register by 5PM Wednesday it's \$50 for online registration and \$60 for hard copy registration. If they enter at bib pickup it's \$70. If they enter on race day it's \$100.

The moral to the story is clear. Act now!
