

Below are relay results by class in text format.

A total of 144 teams officially finished. Two teams are not listed in these results because we have no record of their second-leg runner passing through the exchange zone. These complete results are also available in PDF format through another article on this page and through the "Results" link.

EQUINOX MARATHON RELAY CLASS RESULTS

Open (under 40) Division - one or more members of the team younger than age 40
