

Buy A Course Marker

Written by The Directors

Friday, 22 July 2011 14:41 - Last Updated Thursday, 28 July 2011 13:59

One way you can support the Equinox Marathon is to purchase a course marker - either a distance marker, a directional arrow, or a memorial plaque.

All of the mile markers for the Equinox Marathon are in place. However, there is a need for several directional signs, as well as several KM markers (5Km, 10Km, 15Km, etc.). There are several mile markers in the Ultramarathon available for purchase. Having a course marker with your name on it is a great way to demonstrate your support for this wonderful event. And it will be there forever.

Signs are for sale for \$250. The purchase price includes replacing and refurbishing in perpetuity. For more information, contact one of the race directors (addresses in "Contact Us").
