The runners listed below have demonstrated their commitment to the Equinox Marathon by purchasing a life membership. A life membership entitles the purchaser to free entry in the Equinox Marathon as long as they desire to compete. Life memberships are not transferable. We have four new life members so far in 2013 - Don Kiely, Mike Fisher, John Shook and Roxane Rigo - making a total of 55 life members. Thank you all for your support.

Here's the current list
