## A NOTE ABOUT RCN/USIBELLI SERIES POINTS:

Please note that RCN/Usibelli Series Points are awarded based upon a runner's RCN/Usibelli Series class. RCN/Usibelli Series classes are assigned based upon a runner's age on May 1 of the competition year. A runner's RCN/Usibelli Series class may differ from the class a person is in for a particular race. Therefore in many cases there may be duplicate numbers or otherwise out of sequence numbers in the "points" column. These numbers, although they appear to be incorrect, are not incorrect.

MSR-CRR RESULTS NOTE: For complete results of the Chena River Run and the Midnight Sun Run, please refer to the online results. The PDF results for those two races include only the top 20-22 of each age class, and runners who were in the first 50 in their gender. You will notice some places are skipped in the overall results. Thanks.

EQUINOX MARATHON NOTE: The decision of the RCN BOD is that hikers who finish in over 7 hours will NOT score Usibelli Series points, nor be listed in Equinox class results. A separate finish list of all the hikers and their times will be published
